Dear Member

Assalamu Alaikum

**Sub: Special Meeting of DIIC**

Dubai Indian Islamic Centre is an organization recognized and registered with Government of Dubai Department of Islamic Affairs and Charitable Activities, since 1992. It has got remarkable track record in community services, being recognized and appreciated by the concerned authorities during the last two decades of services

As we have representing a country that belongs to multiple culture and languages, it is difficult to address the issues of the Indian expatriate community here in UAE. Since last one decade we are constantly working hard to make this organization as umbrella body to represent people of India from almost all state. Due to the paucity of active members who can spare time, it could not realize the vision and mission of this great organization.

We require some dedicated personnel to join our team to make it more dynamic and purposeful. With this end in view we are arranging a meeting with dinner in the Dubai Indian Islamic Centre office on 29th November at 7.30 p.m. DIIC location map is attached. I request you to please attend this meeting and help us to carry forward our mission which is the responsibility of every Muslim.

I hope you will take this invitation very seriously and come forward and take part in the meeting. Our deliberation will help us to give new trust and dynamism to DIIC. In collaboration with Islamic Affairs and Charitable Activities Department an international quiz programme with mega prizes will be held shortly. We also have to plan our 20th Anniversary, which is coming in a few months, in a big way. I once again request you to make yourself available for the meeting.

Thanking you,

SM Syed Khalil  
President
